

Directories & Company Spotlights:

Ensure your Company is an Answer.

Comprehensive Print and Online Directory Listings to Ensure Your Company is an Answer When the Market Seeks Solutions.

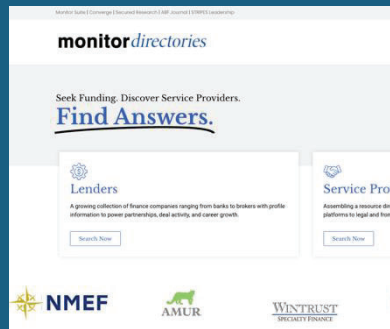

In early in conference season, *The Funding Source* feature in March/April edition offers a spotlight on participating lenders.

The Annual 2025/26 Service Provider & Funding Source Directory is released in October as companies work to secure strong year-end finishes and develop business plans for the coming year.

Online listings are "always on," featured in daily e-news and on the Monitor website.

See pricing on next page.

Launching by year-end 2024 as part of the website enhancement, Monitor will deploy a modern, searchable directory for financiers and service providers.

AscentiumCapital.com

Ascentium Capital, a division of Regions Bank, is a nationwide commercial lender providing equipment and technology financing solutions. We've funded over \$2 billion since our inception in 2011. Ascentium Capital's unique finance platform, combined with exceptional customer service, paves the way for fast, flexible financing for virtually any business need. We provide financing and leasing programs for manufacturers, distributors, and value-added resellers, as well as direct financing options for small, mid-sized and Fortune 500 companies.

Ascentium offers a streamlined process for fast access to 100% financing: simple application, industry-leading app-only limits, and deferred payment options. For more information on how Ascentium can help businesses seize opportunities and take advantage of custom sales and marketing tools, visit AscentiumInfo@Monitor2024
